

CISILE 2024

The 21st China International Scientific Instrument and Laboratory Equipment Exhibition

The 5th China Laboratory Development Conference

May 29-31 , 2024

China International Exhibition Center (Shunyi Hall)

Authorized by:

Ministry of Commerce of the People's Republic of China

Supported by:

China Machinery Industry Federation

China Entry-Exit Inspection and Quarantine Association

Organizers:

China Instrument Manufacturers Association

Shixin International Exhibition Group

Co-organizer:

Guangzhou Instrument Industry Association

Zhuhai Entry-Exit Inspection And Quarantine Service Association

Laboratory Construction Branch of China Association for Instrumental Analysis

Shanghai Analytical Instrument Industry Technology Innovation Strategic Alliance

Technology Innovation Strategic Alliance of the Yangtze River Delta
Scientific Instrument Industry

Co-organizer:

Beijing Lamp Exhibition Co.,Ltd

INVITATION

Introduction >>

CISILE has been successfully held for 20 years, has developed into a well-known scientific instrument event in Asia, and has won the "China Top 10 brand Exhibition project", "China Integrity Exhibition" and other awards, and has been selected for many times the Ministry of Commerce guide support exhibition. In 2018, CISILE successfully passed the UFI certification and became an international brand exhibition. For more than 20 years, CISILE has always been committed to providing overall solutions for scientific research institutions and laboratories, and has also grown into an important platform to promote the innovation and development of the scientific instrument industry.

In order to fully implement the spirit of General Secretary Xi Jinping's instructions on fighting a tough battle with scientific instruments and equipment, promote independent innovation and healthy development of China's scientific instrument industry, and effectively promote exchanges and cooperation in the industry, the 21st China International Scientific Instruments and Laboratory Equipment Exhibition (CISILE 2024) is scheduled to be held at the China International Exhibition Center (Shunyi Hall) on May 29-31, 2024, with an exhibition area of 40,000 square meters. It is expected that there will be more than 1,000 exhibitors and more than 50,000 professional visitors.

It will focus on displaying new products, new technologies, and new achievements such as analytical instruments, optical instruments, life science instruments, biotechnology and instruments, and test instruments. At the same time, the 5th Laboratory Development Conference, the 4th China Hazardous Chemicals Management and Laboratory Safety Summit Forum, CISILE2024 Independent Innovation Gold Award Selection and other rich academic forums and related activities will be held to provide a convenient and convenient platform for scientific researchers and industry professionals. Obtain the latest industry information, share cutting-edge technologies and research results, and build an interactive platform for exchanges and discussions on industrial policies.

Program >>

Move-in: May 27-28, 2024

Exhibition time: May 29-31, 2024

Move-out: May 31, 2024

Venue >>

China International Exhibition Center (Shunyi Hall)

Exhibition Scale >>

Display Area
40000m²

Exhibitor
1000+

Visitor
50000+

The 21st China International Scientific Instrument and Laboratory Equipment Exhibition

Exhibition Area Division >>

Brand Area

Laboratory General Equipment,
Analytical Instruments Exhibition Area

Life Sciences, Diagnostics and
Biotechnology Exhibition Area

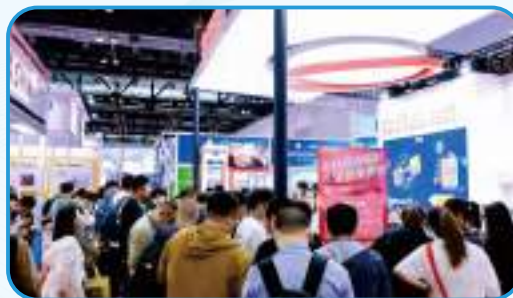

Laboratory Construction, Supporting and
Safety Exhibition Area

Food Safety and Environmental
Protection Exhibition Area

Comprehensive
Exhibition Area

Scope of Exhibition >>

Analytical and Testing Instrumentation

Optical Instrumentation, Electronic Optical Instrumentation

Laboratory Furniture and Equipment and Consumables

Biochemistry, Life Sciences, Microbiological Detection

Performance Testing Equipment for Materials Mechanics

Nondestructive Inspection Instrumentation

Measuring Instrumentation

Chemical Reagent & CRMs

Specialized Instrumentation

Software and Laboratory Information Management System

Environmental Monitoring Apparatus

Instrument Accessories and Spare Parts

Participation Fee >>

Standard Booth: (3m×3m)-\$3500 Raw Space: \$350/m² (Minimum 18m²)

- ◆ Fascia board with company name and booth number
- ◆ 2 fluorescent lamps
- ◆ Carpet
- ◆ Clapboard(250cm high, 246cm is available)
- ◆ 1 manager table
- ◆ 2 chairs
- ◆ 400w/220v power socket

CISILE2024 Independent Innovation Gold Award selection >>

The CISILE "Independent Innovation Gold Award" was founded in 2006 and is sponsored by the China Instrument and Meter Industry Association. The review team selects according to prescribed procedures and standards and does not charge any fees from telegraph companies. The awards event is one of the important activities of the exhibition. It is intended to encourage and promote independent innovation in my country's scientific instrument and laboratory equipment manufacturing industry, and to improve the level of the scientific instrument and laboratory equipment industry and its ability to transform scientific and technological achievements.

Note: Please contact the organizing committee for specific selection methods and registration application forms.

The 5th China Laboratory Development Conference

The 5th China Laboratory Development Conference (CLC) will be held at the China International Exhibition Center (Shunyi Hall) on May 29-30, 2024.

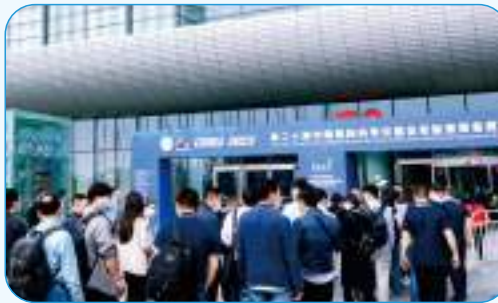

CLC 2024, with the theme of "Smart, Safe and Green", focuses on my country's laboratory construction and management, laboratory safety, smart laboratories, accreditation and certification, reagents and experimental animals, reference materials, laboratory data management, hazardous chemicals management and other topics, and invites academicians of the two academies, well-known experts at home and abroad, and representatives of enterprises to deliver keynote presentations. On-site exchanges and sharing on key issues such as hot spots and difficulties concerned by laboratory scientific research, management personnel and testing institutions will bring cutting-edge information and scientific solutions to the development of Chinese laboratories.

Schedule >>

★ Registration: May 28, 2024

★ Main Forum: May 29, 2024

★ Venue: China International Exhibition Center (Shunyi Hall)

The 5th China Laboratory Development Conference

Registration Fee (per person) and Deadlines >>

Early Registration (before March 31 , 2024) - ¥800 RMB

Regular Registration (April 1 to May 9, 2024) - ¥1000 RMB

Late Registration (Later than May 10, 2023) - ¥1200 RMB

The 4th China Hazardous Chemicals Management and Laboratory Safety Summit Forum >>

In order to effectively improve the awareness of the importance of safety work among the majority of personnel related to experimental safety, learn safety knowledge and safety measures, strengthen laboratory safety management and ensure normal laboratory operation, it is sponsored by China Instrument Industry Association and Shixin International Exhibition Group. The "4th China Hazardous Chemicals Management and Laboratory Safety Forum" hosted by the Laboratory Construction and Safety Branch of the China Instrument Industry Association will be held concurrently with the 5th China Laboratory Development Conference.

CISILE 2024

Cisile Organizer Office

Address: 9/F,Block A, Jinma Building,Haidian District ,Beijing ,China
