

CISILE 2025

The 22nd China International Scientific Instrument and Laboratory Equipment Exhibition

The 6th China Laboratory Development Conference

Date: March 31-April 2, 2025

China International Exhibition Center (Shunyi Hall)

Authorized by:

Ministry of Commerce of the People's Republic of China

Supported by:

China Machinery Industry Federation

China Entry-Exit Inspection and Quarantine Association

Organizers:

China Instrument Manufacturers Association

Shixin International Exhibition Group

Co-organizer:

Beijing Lamp Exhibition Co., Ltd

INVITATION

Introduction >>

China International Scientific Instruments and Laboratory Equipment Exhibition (hereinafter referred to as 'CISILE'), as one of China's top ten brand exhibition projects, China's integrity exhibition, UFI-certified international brand exhibition, has been successfully held for the 21st times so far.

In order to thoroughly implement the instructions of General Secretary Xi Jinping on accelerating the realisation of a high level of scientific and technological self-reliance and self-improvement, to promote the deep integration of scientific and technological innovation and industrial innovation, and to assist in the development of a new quality of productivity, under the guidance of the Ministry of Commerce and China Machinery Industry Federation, China Instruments Manufacturers Association and Shixin International Exhibition Group have decided to hold the 22nd China International Scientific Instruments and Laboratory Equipment Exhibition (hereinafter referred to as CISILE 2025) in China International Exhibition Center (Shunyi Hall) on 31 March - 2 April 2025, with an estimated display area of 40,000 square meters, more than 1,000 exhibitors and 50,000 professional visitors.

CISILE 2024 has achieved double growth in exhibition area and number of exhibitors, and double leap in exhibition capacity and brand effect. We will continue our efforts to enhance the scale and level of CISILE 2025 again, gather more top enterprises and industry elites, and provide wider choices, better purchasing channels and deeper seminars for the users in the fields of scientific research institutes, colleges and universities, third-party testing organisations and large enterprises. We sincerely invite and welcome you to visit CISILE2025 to share the opportunities for cooperation and development!

Program >>

Move-in Time: 29-30 March 2025

Exhibition Date: 31 March - 2 April 2025

Move-out Time: 4:00 PM, April 2, 2025

Venue >>

China International Exhibition Center
(Shunyi Hall)

The 22nd China International Scientific Instrument and Laboratory Equipment Exhibition

CISILE

Exhibition Scale >>

 Display Area:
40000 square meters

 Exhibitor:
1000+

 Visitor:
50000+

Exhibition Scope >>

Laboratory instruments, equipment and consumables

Optical instrument, equipment, electronic optical instrument

Laboratory furniture, accessories, and engineering

Mechanical properties of materials testing equipment, non-destructive testing equipment

Analysis and testing instruments

Laboratory safety technology and equipment

Biochemical, life science and microbiological testing instruments

3D printing

Laboratory automation and digitization

Measuring Instruments

Environmental monitoring instruments

Instrument accessories and parts

Sample pre-treatment and preparation Instruments

Chemical reagents and standard substances

Smart laboratory, information management system, etc

Industry specific instruments

The 22nd China International Scientific Instrument and Laboratory Equipment Exhibition

CISILE

Booth Fee >>

Standard Booth:(3mx3m)-\$3500 Raw Space:\$350/m'(Minimum 18m)

- ◆ Fascia board with company name and booth number
- ◆ 2 fluorescent lamps
- ◆ Carpet
- ◆ Clapboard(250cm high,246cm is available)
- ◆ 1 manager table
- ◆ 2 chairs
- ◆ 400w/220v power socket

The 6th Laboratory Development Conference

CISILE

General Secretary Xi Jinping pointed out that ‘it is necessary to strengthen the construction of national strategic scientific and technological forces, optimise the positioning and layout, improve the system of national laboratories, and enhance the integration capacity of the national innovation system’, which not only points out the way forward for the current scientific and technological work, but also firms up the goal for the China Laboratory Development Conference (CLC) to continue to run the conference in an innovative manner.

The 6th China Laboratory Development Conference (CLC 2025) will be held concurrently with CISILE 2025, which is jointly hosted by China Instruments Manufacturers Association and Shixin Exhibition Group, and co-organised by China Society of Inspection and Testing Equipment branch, Shanghai Analytical Instrument Industry Technology Innovation Strategic Alliance, Yangtze River Delta Scientific Instruments Industry Technology Innovation Strategy Alliance, organized by Branch of Analytical Instruments of CIS, Beijing Lamp Exhibition Co., Ltd, Beijing Zhongyi Xiongyin International Exhibition Co., Ltd, and received great support from China Machinery Industry Federation, China Entry-Exit Inspection and Quarantine Association. The 6th China Laboratory Development Conference (CLC 2025) will continue to focus on the theme of ‘Wisdom, Safety and Green’, focusing on China’s laboratory construction and management, laboratory safety, smart laboratory, standard substance, laboratory data management, hazardous chemicals management, etc., inviting the two academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering, domestic and foreign famous experts and enterprise representatives to make on-site keynote reports, exchanging and sharing the hot spots, difficulties and other key issues of concern to the majority of laboratory scientific research, management personnel, and testing organisations on-site, exploring the new trends, opportunities and challenges of the development of the industry with the majority of representatives of the participants, and bringing cutting-edge information and scientific solutions to China laboratory development.

Schedule >>

★ Check-in: 30 March 2025

★ Conference Date: 31 March-1 April 2025

★ Venue: China International Exhibition Center (Shunyi Hall)

Conference Registration Fee and Deadline

- ◆ Early Registration (Before January 15, 2025) - ¥800 RMB per person
- ◆ Regular Registration (January 16 to March 15, 2025) - ¥1,000 RMB per person
- ◆ Late Registration (Later than March 16, 2025) - ¥1,200 RMB per person

The 5th China Hazardous Chemicals Management and Laboratory Safety Summit Forum

In order to effectively improve the awareness of the importance of safety work among the majority of personnel related to experimental safety, learn safety knowledge and safety measures, strengthen laboratory safety management and ensure normal laboratory operation, it is sponsored by China Instrument Industry Association and Shixin International Exhibition Group. The "5th China Hazardous Chemicals Management and Laboratory Safety Forum" hosted by the Laboratory Construction and Safety Branch of the China Instrument Industry Association will be held concurrently with the 6th China Laboratory Development Conference.
