About CPLF China

Packaging and logistics serve as the key support for the safe operation and modern development of the petroleum and chemical industry. Their industrial upgrading and digital-intelligent transformation are core topics for the high-quality development of the industry.

As an important thematic exhibition of the China International Chemical Industry Fair (ICIF China), the 2026 (8th) China International Chemical Packaging and Logistics Fair (CPLF China 2026) will link up with other featured thematic exhibitions of ICIF China and enterprises in the upper and lower reaches of the industrial chain to continuously build an industry benchmark event integrating packaging, equipment, storage and transportation.

Exhibit Profile

Packaging Containers

Plastic, Metal Packaging and Accessories: IBC totes, plastic buckets, plastic bottles, turnover boxes, stainless steel containers, steel drums, tinsplate chemical tanks, packaging accessories, etc.

Pallets: Molded pallets, plastic pallets, wooden pallets, etc.

Flexible and Auxiliary Packaging

FIBCs, FFS bags, PE bags, aluminum-plastic/paper-plastic composite bags, woven bags, square-bottom bags, liquid bags, inner bags, inflatable bags, stretch film, cold stretch hood film, strapping, strapping machines, heating pads, bottle caps, labels, cleaning equipment, etc.

Packaging Equipment

Granule and powder packaging equipment, filling equipment, automatic packaging and palletizing machines, weighing equipment, metering equipment, conveying equipment, automatic batching systems, sealing machines, bag unpacking machines, labeling equipment, and third-party packaging inspection, etc.

Chemical Storage and Transportation

Tank containers, logistics companies, international freight forwarders, storage equipment, tank design and engineering, professional warehouses, tank farms, ports, yards, etc.

Intelligent Logistics and Warehousing

Stacker cranes, shuttle cars, elevators, conveyors, sorters, warehouse racks and other intelligent logistics and warehousing equipment, as well as technologies related to intelligent manufacturing.

Exhibition Fee

ZONE	SHELL SCHEME	RAW SPACE
Zone A	USD 2,650 / 9sqm (Min:9sqm)	USD 230 / sqm (Min: 36sqm)
Zone B	USD 2,250 / 9sqm (Min:9sqm)	USD 210 / sqm (Min: 36sqm)
Zone C	USD 2,100 / 9sqm (Min:9sqm)	/
