关于展会

ABOUT SPECHEM CHINA

装备制造水平是行业发展的基石，高科技、智能化、数字化的装备是工业转型升级的关键，能显著降本增效、提升产能与产品质量，增强产业链竞争力。对于推动行业降本增效、提高产能和产品质量，从而提高整个产业链的综合竞争力和绿色发展起着不可或缺的作用。中国国际化工装备及智能制造展览会将汇聚生产、包装、检测、智慧解决方案等各个环节优质供应商，拓展整合产业链，为石油化工行业全方位提升生产效率和安全性，助力高质量发展保驾护航。同期将举办“第八届中国智慧化工大会 SmartChem Conference”，国内外知名专家、学者、企业家齐聚一堂，共谋行业发展大计。

Cornerstone of industry development. High-tech, intelligent, and digital equipment are key to industrial transformation and upgrading, significantly reducing costs and increasing efficiency, enhancing production capacity and product quality, and boosting the competitiveness of the industry chain. The petroleum and chemical industry urgently needs transformation, which is driving the demand for high-end equipment and intelligent manufacturing. SmartChem China will gather top suppliers from various sectors, promote integration within the industry chain, enhance production efficiency and safety standards in the petrochemical sector, reduce costs, improve environmental protection and energy conservation, and support high-quality development.

展品范围

EXHIBITING PROFILE

- 包装设备 (Packaging equipment)
- 粉体输送设备 (Powder conveying equipment)
- 数字化 - 智能制造装备及解决方案 (Digital and intelligent manufacturing equipment and solutions)
- 干燥、分离及粉碎设备 (Drying, separation, and crushing equipment)
- 传热、传质、制冷设备 (Heat transfer, mass transfer, and refrigeration equipment)
- 混合、反应设备 (Mixing and reaction equipment)
- 泵阀、管件 (Pumps, valves, fittings)
- 仪器仪表等 (Instruments and meters, etc.)
